

Soapbox Fun Derby Legal

Fete Au Village

July 23, 2022

You're invited for some fun!

Who:

Kids ages 5yr – 13yr (kit cars)

New 14yr – adult (open design)

When:

Saturday, July 23, 2022

Time:

1:00pm Start

(participants & cars required 45min prior to event for sign in and staging)

Where:

On the hill in front of Parc Citadel and the arena in Legal

Cost: \$70 for the kit and \$5 fee for each racer (kits do not include the wood). To help offset the cost of each car, racers are encouraged to find a business sponsor. Open design racers still need to pay the \$5 registration fee.

How it Works

Racers will build their cars using the kits purchased at the Town Office, or by of their own design for the 14 and up category. Cars must meet all weight, length, and width restrictions as specified in the race package but it's up to each racer's creativity as to what the final product will look like.

Cars MUST attend the inspection prior to event. Date and times for inspections will be made upon confirmation of registration. Uninspected cars will not be allowed to race.

Racers will start at the top of the hill on a ramp and use only gravity to make their way to the bottom. Racers will have two runs each. Each race will be timed and the fastest time in each age category will be the winner. Awards for first, second, third, and participation will be presented after all the racing is completed.

What You Will Need

- Soapbox Car Kit (\$70) (not required for Open Design category)
- Half sheet 5/8" plywood (not chipboard)
- Helmet (bike, motorsport, hockey- face protection is optimal)
- Tools
- Driver

How to Enter

Families with multiple racers can buy one kit, build one car, and reuse the same car for each racer but each entrant must have their own registration form. If cars are being used for several racers bear in mind the weight of the car with the driver must not exceed 250lb.

Registration forms can be dropped off and kits can be purchased at the **Legal Town Office**.
